A new book from Arcadia Publishing: Charleston - San Francisco - Chicago - Portsmouth

Branch Brook Park, America's first county park, was established in 1895 as the cornerstone of the Essex County Park System. The vision for Branch Brook Park came in 1867, when Newark park commissioners retained Olmsted, Vaux and Company to identify a site for a park in the city. That vision matured into a reality that is now, 140 years later, woven into the urban experience of Newark and its neighboring towns.

Books will be available for purchase.
