Philip Roth: Photos from a Lifetime

This 36-page, color catalogue is based on the exhibit at The Newark Public Library in celebration of Philip Roth's 80th birthday. It includes photographs from Philip Roth's personal collection (annotated by him) and from the Charles F. Cummings New Jersey Information Center at the Newark Public Library, as well as selections from his novels describing Newark. **Publication is planned for the end of May, 2013 at a price of \$15.00. All proceeds will be used to support the fiction collections at The Newark Public Library.**
