Dream Big and Read at the Newark Public Library

Young readers will let their imaginations soar when they dream BIG during our annual Summer Reading Challenge at the Newark Public Library. Funded by The Prudential Foundation and the United Way of Essex and West Hudson Summer Learning Initiative, the challenge runs from June 25 through August 4, and is geared towards children five through twelve. Young Adults are also encouraged to participate in their own program, **Own the Night**. Adults may participate in a drawing for prizes with the theme **Between the Covers**. All programs are free of charge and open to the public.

The Summer Reading Challenge is designed to foster a love of reading and prevent summer learning loss by offering a variety of incentives to those participating. Twice-daily educational activities such as arts & crafts, story times, and puzzles & games are offered at all Library locations.

Dream Big and Read participants are encouraged to challenge themselves to read as much as possible (within the 200 book maximum for the summer). **Own the Night** participants may read a maximum of sixty books. For additional rules, information, and a complete schedule please see: <http://www.npl.org/Pages/KidsPlace/New/programs/src.html> or visit any Newark Public Library location.
