Part party, part conversation and teach-in and part ritual, *The Music of Black Power* journeys from Spirituals to Blues to Hip Hop and House. African American music has transmitted both the power and the stories of African American stories of liberation, joy and struggle. *The Music of Black Power* will feature a visual and sonic journey of African American musicians and culture. Join DJ Shell Spin, dancer Peace, curator and researcher Noelle Lorraine Williams and Reggie Blanding, librarian of the James Brown African American Room, for a multimedia discussion.
