We are pleased to announce that The Newark Public Library is now an affiliate partner of The Scholastic Art & Writing Awards, the nation's longest-running and most prestigious recognition program for creative teens in grades 7-12! The Newark Public Library will accept **all writing submissions from students in any NJ county**. Email Maisy Card, [mcard@npl.org](mailto:mcard@npl.org) if you have any questions.

## 3 STEPS TO ENTER:

### 1. Sign Up

Create an account at [artandwriting.org/login](http://artandwriting.org/login) on September 13, 2017 to submit your work to the 2018 Scholastic Awards. The submission deadline is December 7, 2017!

### 2. Create and Upload Your Work

The Scholastic Awards look for work that demonstrates originality, technical skill, and the emergence of a personal voice or vision. After you have created your work, you can upload it to your Scholastic Awards Account. Once you have logged in, follow the instructions to upload all of your submissions into the system. Every category has specific requirements so please read the Guidelines and Category Descriptions carefully. Note that you will need your educator's email address.

### 3. Send in the Required Forms

After uploading your work, print your submission forms and have a parent/guardian and an educator sign them. Specific Form and Submission Fee requirements and instructions can be found below. Please carefully read through the instructions as you go through the registration process. Submission fees are \$5.00 per individual submission and \$20 per portfolio submission (only high school seniors can submit portfolios). Students for whom submission fees would be a barrier to participation may request a fee waiver.
