

FREE TERRARIUM BUILDING WORKSHOP

FOR
TWEENS
&
TEENS

Have you ever wanted to make your own terrarium? We've got you covered with an all inclusive Terrarium Building Workshop! By layering sand, earth & rocks, we create a tiny environment for plants to grow. Each terrarium can be personalized using moss, stones & bespoke ornaments.

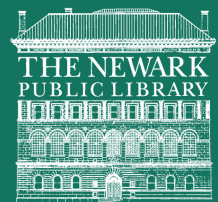

October 18

4:00 - 5:00 PM

**Van Buren Library
140 Van Buren Street
Newark, NJ 07105**

TAUGHT BY

FERN & FOSSIL

This program is funded in part by a generous grant from the Victoria Foundation.

For more information call (973) 733-7736.
