

Please join us for a **FREE** hands-on science and literacy workshop for children and families!

Newark Public Library Van Buren Branch is pleased to offer a **FREE** Leap into Science Balance & Gravity Workshop for Grades K-5.

Leap into Science is a nationwide program from The Franklin Institute Science Museum that integrates open-ended science activities with children's books, for children and families to learn together.

Who? Grades K-5

When? 4:00PM Tuesday, Feb. 19

Where? Van Buren Branch, 140 Van Buren Street

Families will:

- Explore the science of Balance & Gravity through hands-on activities and children's books
- Have fun while learning to think like scientists!
