

Empowering the Narrative Newark Book Arts Workshop

Mansa K. Mussa will instruct students in the design of a folded accordion spiral design book that contains the story of their life's odyssey, filled with facts, flights of reverie, and brief moments of euphoria.

Participants will incorporate the mediums of collage, drawing, text, graphics, and photographs taken during the workshop. Students will also add geometric shapes, peel and stick graphics, and written text to complete the book.

**Monday
February 4
4-5:30pm**
Main Library
First Floor Meeting Room
5 Washington Street
(973) 733-7784

**Wednesday
February 6
