COLLEGE FAIR AND COLLEGE VISIT HINTS	<p>1. Make a point to visit at least four colleges. Compare each college using the chart.</p> <p>2. Try to separate from your friends. Your interests in colleges may differ from those of your friends. Don't be afraid to look on your own.</p> <p>3. The same college representatives who are at the fair may make admission and acceptance decisions. Try to make a favorable first impression.</p> <p>4. Look through the list of participants. You may have already received information from colleges. What a great opportunity to visit with someone in person!</p> <p>5. Pick up business cards and brochures from college representatives. This will provide you with an actual person to contact when calling the college.</p>
