A CULTURAL EXCHANGE WITH NEWARK, NEW JERSEY & NEWARK, ENGLAND

WEDNESDAY, JUNE 10TH
10AM EST / 3PM BST
Tune in on Zoom

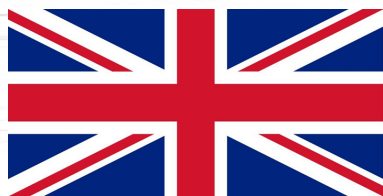

Join members of the Newark Public Library (NJ) and Inspire Library system in the UK for a cultural exchange!

Due to COVID-19, the world feels like a much smaller place. Many of us have not left our houses, let alone the country.

Join us for a discussion about your experiences with your fellow Newarkers across the pond. This is a chance for you share stories about your city and learn more about your sister city – all from the comfort of your home!

We will all get through this together!
