

FOR GRADES 4-12

VIRTUAL CODING CLASSES

For more info email
mcard@npl.org

Beginning in July '7

Want to learn how to code? This summer we're offering free peer-led coding classes for youth in grades 4-12. Classes meet Tuesdays (Scratch) and Thursdays (Python) at 4pm. Classes will meet on online using zoom.

**Learn Scratch (Grades 4-7)
Learn Python (Grades 8-12)**
