Beyond the Mountaintop: MLK's Radical Vision for Economic Justice

With Guest Lecturer:

DR. TANISHA C. FORD

In recent years, we have celebrated MLK's embrace of anti-capitalism and his call for a "Poor People's Campaign" near the end of his young life. Preeminent historian Tanisha C. Ford will discuss the searing economic and political issues that shaped King's radical vision, the ways Black women influenced his economic thought, and his enduring message for activists today.
