

Publication Fee Statement and Schedule of Fees

STATEMENT: Permission to use material for publishing purposes from the collections of The Newark Public Library must be obtained in advance and in writing from the Library. To "publish" includes paper copy, videotape, film, microfilm, sound recording or any other photographic or electronic medium. The fees listed below are for non-exclusive, one-time use of a single image unless otherwise indicated. These fees are in addition to the Copy Service charges indicated on the cost estimate and must be paid by separate check made out to The Newark Public Library and mailed to the appropriate Administrative office, with a note on check indicating "publication fee." The fees are imposed to cover costs to The Library and must be paid in advance of publication. Only those images actually used in publication are subject to fees.
