Chana Ginelle Ewing

Author of the children's book *An ABC of Equality*

Saturday, September 28th | 1–3 PM

1st Floor LGBTQ Room | 5 Washington Street, Newark, NJ 07102

In *An ABC of Equality*, debut author and women's advocate Chana Ginelle Ewing offers the first children's concept book focused on equality and educating youth about the importance of intersectionality. Ewing makes complicated identity concepts like gender, immigration, and ability-accessible for children and encourages informative and constructive conversations around our modern and evolving vocabulary.

Join us for a discussion on how her book can be used to explain social justice concepts to children and help them navigate the sometimes difficult world we live in.
