LEARN HOW TO LEARN

✦ The most valuable knowledge is knowledge that leads to all knowledge. You can't learn everything, so be wise and learn how to learn what you need to learn. ✦ All knowledge is in print, or will be to-morrow. To know how to find in books and journals just the information you need—that is to hold the eel of wisdom by the tail.

Your Newark Library has much that is helpful on the art of learning how to learn.
